1. ADDENDUM

Uganda produced its third EITI report in October 2024. The UGEITI report for the fiscal year 2021-22 considered information received up to the 2nd of September 2024. Information received after the publication of the UGEITI report for the fiscal year 2021-22 was incorporated into this addendum.

The main purpose of the addendum was to

- 1) Enhance the data quality and assurance of the report; and
- 2) Reduce the reconciliation gap for revenues reported by companies and the government.

These objectives were achieved through the receipt of:

- OAG audit certification for URA templates and signed templates from DGSM;
- a signed template from Virat Alloys, a company identified within the reconciliation scope, confirming that their activities were solely manufacturing and not extractive;
- completed templates from the two highest revenue-paying cement companies in the reporting period, namely Hima Cement and National Cement Company.

With this additional information, the data quality assurance and comprehensiveness of the report was enhanced, resulting in a reduction in the reconciliation gap being from over 52% to 15% as detailed in Section 1.2 of this addendum. The detailed results of the additional data incorporated are presented below.

1.1 Completeness and Data Assurance Quality

A summary of the comprehensiveness and data assurance quality is presented below. The detailed submissions are presented in Annex 5 of this addendum.

Comprehensiveness

Extractive entities

Out of the 24 companies included in the reconciliation scope, twelve companies submitted declaration forms by the date of this addendum. The revenues reported by the URA for these companies represent 84.7% of the government revenues from the extractive sector and are detailed as follows:

Table 2: Companies within the reconciliation scope that submitted reporting templates

Government Agencies

All government agencies submitted their completed declaration forms.

Conclusion on the Comprehensiveness

Except for the matter outlined above, we can conclude with reasonable assurance that the EITI data presented comprehensively covers all significant revenues from the extractive sector in Uganda for the year 2021-2022.

Data assurance quality

Extractive entities

Three out of the twelve (12) extractive entities that submitted their reporting templates provided signed copies by an authorised officer at management level. The revenues reported by Government Agencies in respect of the eight (8) companies which submitted reporting templates not signed by management, represent 79.92% of the extractive sector's revenues. These are set out as follows:

Table 4: Non-signed declaration forms for extractive entities for the fiscal year 2022-22

No.	Company	Revenue	Contribution %
1	TOTALENERGIES EP UGANDA	124,192,272,714	53.00%

	Total government revenues from extractive sector	234,335,596,583	100.00%

Source: EITI Declaration forms

None of the companies submitted declaration forms certified by an external auditor. By the date of this addendum, only Hima Cement and National Cement Company Uganda Limited had submitted their audited financial statements.

Government Agencies

All government agencies submitted signed declaration forms, although the Uganda Registration Services Bureau (URSB) submitted partially signed templates¹.

URA's declaration forms were certified by the Auditor General (AG). DGSM's declaration form of the subnational transfers was not certified by the AG.

Conclusion Data quality and assurance

Except for the matters outlined above, we can conclude with reasonable assurance that the revenues included in this report were subject to credible, independent audit, applying international auditing standards.

1.2 Scope of the Data Collection and Reconciliation

Revenues included in the reconciliation scope for the fiscal year 2021-22 represent 99% of total adjusted revenues from the mining, oil and gas sectors as detailed below:

Table 5: Reconciled revenues for the fiscal year 2021-22

Payments from	Revenues FY 2021-22		Revenues by sector	
	(UGX million) (a)+(b)	% Contribution	Oil & Gas (a)	Mining (b)
Reconciled revenue (*)	231,205	<u>99%</u>	160,898	70,307
Unilateral disclosure by Government Agencies (**)	2,187	1%		2,187
Unilateral disclosure by companies (**)	943	0%	12	932
Total unilateral disclosure (b)	3,130	1%	12	3,119
Total revenues (a)+(b)	234,335	100%	160,911	73,425
Percentage of total revenues			69%	31%

Source: EITI Declaration forms

The UGEITI MSG agreed to include in the reconciliation scope the Uganda Revenue Authority (URA) which is a centralised government revenue collection agency responsible for collecting all revenues due to government, including those from extractive entities.

¹ Whereas URSB submitted signed Beneficial Ownership templates, the Legal ownership template was not signed.

Reconciliation results

The unresolved discrepancies after adjustments are detailed in Section 5 of this report and are summarized as follows:

Table 6: Unresolved discrepancies for the fiscal year 2021-22

	Extractive companies (UGX) (a)	Government (UGX) (b)	Difference (UGX) (c)=(b)-(a)	% (c)/(b)
Total payments declared	196,435,207,402	231,205,214,473	(34,770,007,071)	(15.04%)

Although this is a significant reduction from the discrepancy reported in the report published in October 2024, it still represents a significant challenge in ensuring compliance with the companies identified in the reconciliation scope. The discrepancy is primarily due to the submission of partially completed declaration forms by companies.

The detailed reconciliations by company and by payment stream are presented in Annex 1 of this addendum.

1.3 Extractive sector contribution to the State revenue

The contribution of the extractive sector to government revenues during the FY 2021-22 was as follows:

Table 7: Contribution of the extractive sector to the Government revenues during the FY 2021-22

Description	Amount in UGX billion	Contribution in %
<i>Oil & Gas revenues</i>	161	0.74%
<i>Mining & Quarrying revenues</i>	73	0.34%
Extractive sector revenues²	234	1.07%
Total Government Revenues³	21,830.33	100%
